The **Marine Corps League** perpetuates the traditions and spirit of ALL **MARINES** and **NAVY FMF CORPSMEN**, who proudly wear or who have worn the eagle, globe and anchor of the Corps. Members of the Marine Corps League join together in camaraderie and fellowship for the purpose of preserving the traditions and promoting the interests of the United States Marine Corps, banding together those who are now serving in the United States Marine Corps and those who have been honorably discharged from that service so that they may effectively promote the ideals of American freedom and democracy; voluntarily aid and render assistance to all Marines and former Marines and to their widows and orphans; perpetuate the history of the United States Marine Corps; and, by fitting acts, observe the anniversaries of historical occasions of particular interest to Marines.
